## MEMORANDUM OF UNDERSTANDING

Between

**SBK SOFTSOL Pvt. Ltd.**

&

**Aditya institute of technology and management (A) -Tekkali**

This agreement made and entered into on Mar 04, 2021 between **Aditya Institute of Technology and Management** and **SBK Softsol Pvt Ltd, Vishakapatnam**. This MOU shall be affect immediately from this date and each party shall be at full liberty to terminate the collaboration with a notice period of 3 months.

### Objectives of MOU:

The objectives of this Memorandum of Understating is:

A. To promote interaction between **Aditya Institute of Technology And Management** and **SBK Softsol Pvt Ltd, VSP** in mutually beneficial areas.

B. To provide a formal basis for initiating interaction **between Aditya Institute of Technology and Management** and **SBK Softsol Pvt Ltd, VSP**.

## Proposed Modes of Collaboration:

**Aditya Institute of Technology And Management and Sbk Softsol, Visakhapatnam.**  
propose to collaborate through

1. Exchange of expertise by means of Guest Lectures, Technical seminars, workshops and other events (during regular working days) for the benefit of the faculty and students.
2. Permitting students for One day Industrial Visit.
3. Allowing faculty & staff for Industrial Training
4. Permitting Practical training or Internships to students.
5. Attending campus recruitment where the intake depends up on the clearance of all the rounds by the candidate in selection process.

**Note:** All the above modes will be decided upon mutual consent based on availability , work schedules and Manpower of Company.

### MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (hereinafter referred to as "MoU") entered into on 13<sup>th</sup> day of July, 2020 by and between:

National Highways Authority of India (NHAI) which expression shall, unless repugnant to the context or meaning thereof be deemed to mean and include its successors and permitted assigns), of the First party;

AND

Aditya Institute of Technology & Management, Tekkali (hereinafter called as AITAM, Tekkali which the expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and permitted assigns) of the Second Party.

WHEREAS,

Both the AITAM, Tekkali and NHAI are desirous of working together with mutual cooperation for dissemination of respective expertise in civil/highway engineering field through the road infrastructure development.

NOW, THEREFORE, IT IS HEREBY AGREED BY THE PARTIES AS FOLLOWS:

#### 1. INTENT:

National Highways Authority of India (NHAI) intends to associate AITAM, Tekkali who shall voluntarily contribute its share of experience for betterment of the highway infrastructure.

## 2. SCOPE OF THE MoU

The primary scope of MOU inter alia includes the following:

- NHAI shall facilitate the faculty, researchers and students of the Institute to familiarize with the latest trends in the highway/transportation sector with a common objective of sharing the knowledge in their respective domain. This will, in one hand, facilitate to bridge the industry-institution gap and familiarize students with the latest trends in industry and on the other hand the research output could be suitably adopted in practice by NHAI.
- The Institute shall adopt nearby stretches of NHs as specified in the **Appendix-1** as a voluntary initiative under ambit of Institutional Social Responsibility (ISR). The list of stretches may be modified by deletion/addition by mutual consent of NHAI and the Technical Institute.
- The adopted stretch may be used as a field of study for faculty, researchers and students.
- NHAI shall offer internship to **08** number of undergraduate/postgraduate students of the Institute periodically and also extend stipend
- NHAI shall pay stipend @ Rs.8000 (Rupees Eight Thousand only) per month for undergraduate students and @ Rs. 15,000 (Rupees Fifteen Thousand only) per month to Postgraduate students in Transportation Engg., Structural Engg., Geotechnical Engg., Hydraulics Engg., Infrastructure Systems, Earthquake Engg., Urban & Rural Planing, Disaster Mitigation & Management, etc. All other arrangements shall be responsibility of the Institute. However, depending upon availability, NHAI will extend stay and transportation facility to the interns within the project jurisdiction on best effort basis.

## 3. Roles and Responsibilities:

The scope of this MOU shall be carried out in a collaborative mode between NHAI and the AITAM, Tekkali. The Roles & Responsibilities of NHAI and the AITAM, Tekkali in performing the defined objective shall be as follows:

V. Chittkaku

*[Signature]*

## NHAI

NHAI shall provide the list of potential candidate National Highway stretches for adopting by the Technical Institute;

1. NHAI Shall provide the list of potential candidate National Highway stretches for adopting by the Technical Institute;
2. NHAI shall facilitate availability of relevant data required with specific reference to the above stretches through its field office/consultant/concessionaire/contractor engaged in the project ;
3. NHAI will nominate an officer as a point of contact for all correspondence in carrying out the defined objective;
4. NHAI shall facilitate the faculty, researchers and students of the Institute to give access to the site of the identified stretch being adopted by the Technical Institute, relevant documents for the purpose of activities to be carried by these intellectuals of the Institute;
5. NHAI through its field office/Consultant/Concessionaire/Contractor engaged in the project, as per reasonable requirement, will disseminate and familiarize the latest trends and know how in highway/transportation sector in general and the identified project in specific to the authorized faculty, researchers and students of the Institute;
6. NHAI may suitably adopt the research output and feedback received from the Technical Institute in practice for qualitative improvement as deemed fit at appropriate stage of implementation.
7. NHAI may support creation of Lab infrastructure in the Institute and can sponsor relevant research project that helps in using alternative resource material and improving quality of roads.
8. The NH stretch adopted can be co-branded with the associated technical institute by NHAI

## AITAM, Tekkali

- a. The Institute shall adopt stretch(es) of NHs as specified in the **Appendix-1** as a voluntary initiative.
- b. The Technical Institute through its authorized faculty, researchers and students will carry out periodic investigation and give suitable suggestions for improving the efficiency of existing highway asset inter alia covering the following aspects:
  - (i) Improvements in safety provision by removing existing deficiencies;
  - (ii) Improvements in continual maintenance of the stretch using new technologies;
  - (iii) Localized solutions for removal of congestion points thereby increasing the average speed of traffic flow;
  - (iv) Improvements in the riding comfort through cost effective measures based on innovative technologies on practices applicable in the area;
  - (v) Viability of new way side amenities for road user based on the existing traffic pattern and user expectations;,
  - (vi) Potential solutions to old recurring problems based on local experience etc.
- c. The Institute may also associate with the Consultants/NHAI during conceptualization, design and project preparation of new projects and suggest the relevant parameters and innovations based on experience specific to the site climate, topography and resource potential for better socio economic outcome
- d. The Technical Institute will nominate a coordinator as a point of contact for all correspondence in carrying out the defined objective as well as inform, from time to time.

V. Chittabali

4. **EFFECTIVE DATE AND PERIOD OF MOU**

This MoU shall come into effect for all its intents and purposes from the immediate effect and shall remain valid for a period of 5 years from the date of signing unless terminated earlier by mutual consent by either party by giving 60 days' notice in writing to the other party.
