Report of the Alumni Online Meet held on 29/08/2020

Date: 29/08/2020

AITAM ALUMNI MEET was conducted through online mode on 29/08/2020. Wide coverage was given about the meet in social media platforms. Due to COVID-19 pandemic, it is decided to conduct the Alumni meet virtually. 25 Alumnus participated in the program actively.   They remembered their college days and gave suggestions for the development of their departments.

The Convener, AAA, Dr. D. Yugandhar, presented the convener report. He presented a brief account of activities carried out in the previous years. He requested alumni to interact with current students through Skype and other media and also requested to provide placement assistance/ referrals, register their names in Alumni Website. He also stressed the following important points.
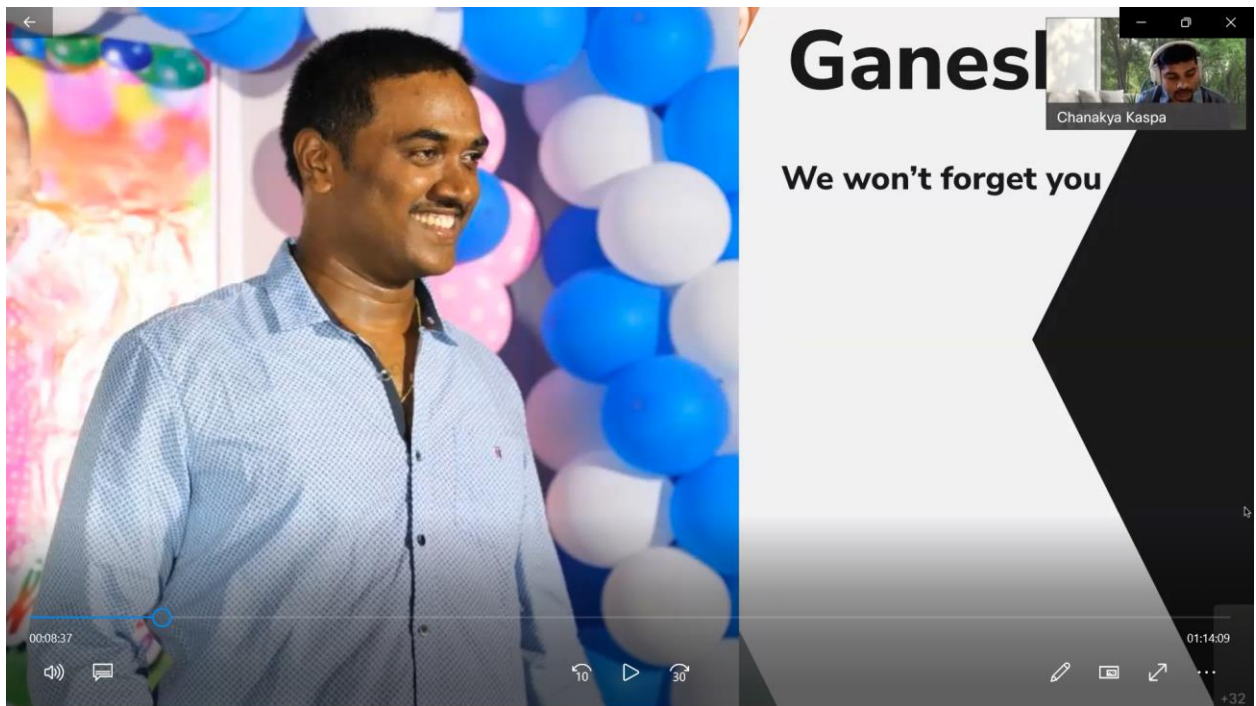

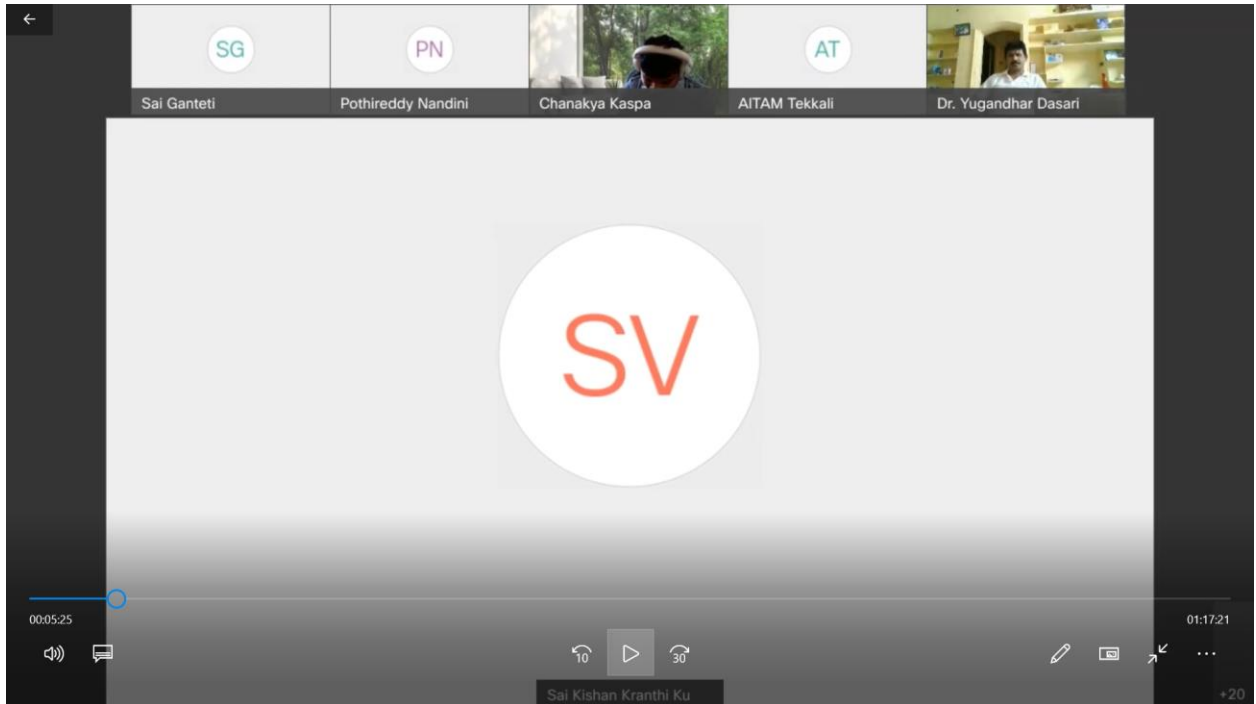

01.   Alumni can conduct online sessions to present students
(Facilities available in our Institute)
02.   Alumni can conduct offline sessions when they come to Srikakulam with prior information
(Institution will provide necessary facilities such as Seminar Hall and etc.)
03.   Alumni can contribute books and material available with them
04.   Alumni can provide mentoring, internships, and career opportunities to students.
05.   Alumni can provide financial assistance to poor students/ cash awards to meritorious students.
06.   Alumni can help to build and grow institution's brand through word-of-mouth marketing.
07.   Alumni to provide mentoring, internships, and career opportunities to students

Dr. A. S. Srinivasa Rao, Principal, Prof. V. V. Nageswara Rao, Director, HoDs of all departments and Deans were also present and they too interacted with the alumni. They stressed about the importance of Alumni, importance of their contribution (in academics & financial) for the overall development of the institution. They suggested alumni to visit campus regularly and share their knowledge to the youngsters. Prov. V. V. Nageswara Rao, Director thanked the alumni for providing job opportunities in their companies. He praised the work done by the ALUMNI Association over the years and mentioned "this cooperation should go on for the benefit of younger generations".

HoDs and Deans explained about the developments taken place in the departments over the years. Alumnus also shared their views and promised to continue the cooperation in future for the benefit of younger generations.

Alumni suggested to focus more on the following:

01. Development of communication skills
02. Modernization of laboratories with latest software/ hardware
03. Improving technical skills among students
04. Establishment of MoUs with more industries.
