Event No.1

Title of the event: Overcome your mental barrier-unleash your inner potential

Date and Venue: 01-07-2020 to 05-07-2020 & AITAM (ONLINE MODE)

No. of participants: 110

About the programme:

This Programme aims at gearing up the full potential of women by identifying the barriers, sensitizing them on the essential ingredients of innovation and women's role in it. Also the participants are introduced and familiarized to the concept of design thinking, the most potent, solution-based approaches to innovation. It will be a platform for the participants to gain mental ability and innovative thinking in their respective fields.

Event No.2

Title of the event: Physical and Emotional Well Being

Date and Venue: 06-08-2020 & AITAM (ONLINE MODE)

No. of participants: 103

About the programme

This programme aims to know the importance of mental health which includes our emotional, psychological, and social well-being for female. It affects how we think, feel, and act as we cope with life. It also helps determine how we handle stress, relate to others, and make choices. Mental health is important at every stage of life, from childhood and adolescence through adulthood and aging for every girl. It is difficult to Find the balance between positive and negative emotions. Staying positive doesn't mean that you never feel negative emotions, such as sadness or anger. We need to feel them so that we can move through difficult situations. They can help you to respond to a problem.

Event No.3

Title of the event: Women students mentoring programme

Date and Venue: 28-01-2021 and Seminar hall A block AITAM

No. of participants: 54

About the programme

The main aim of the programme is to give suggestions to the women students to get awareness about present cyber crimes and societal issues. Women faculty of ECE department Mrs. A.JayaLaxmi and Mrs. E. Jaya and other staff involved in the session. They advised girls to keep safe in COVID environment and on how to handle tough issues in life. They interacted with the women students to know their problems and to give suggestions to them. 54 women students participated in the event.

Event No.4

Title of the event: Personality Development Programme for I year students

Date and Venue: 25-02-2021 & Open Dias AITAM

No. of participants: 450

About the programme

The main aim of this program is to motivate I year students. Resource person touched all the aspects of life and made the students to gain more confidence. Personality development includes activities that improve awareness and identity, develop talents and potential, build human capital and facilitate employability, enhance quality of life and contribute to the realization of dreams and aspirations. When personal development takes place in the context of institutions, it refers to the methods, programs, tools, techniques, and assessment systems that support human development at the individual level in organizations. Personality development gives more confidence to people. When you know you are appropriately attired and groomed, this makes you less anxious when meeting a person. Knowing the right things to say and how to conduct yourself will increase your confidence.

Event No.6

Title of the event: A Talk on Human Values

Date and Venue: 04-03-2021 & OPEN DIAS - AITAM

No. of participants: 400

About the programme

This programme is very useful to all the students and staff of this institution. Basic human values refer to those values which are at the core of being human. The values which are considered basic inherent values in humans include truth, honesty, loyalty, love, peace, etc. because they bring out the fundamental goodness of human beings and society at large. Human values are the virtues that guide us to take into account the human element when we interact with other human beings. Human values are, for example, respect, acceptance, consideration, appreciation, listening, openness, affection, empathy and love towards other human beings. Human values are necessity in today's society and business world. Human values are the features that guide people to take into account the human element when one interacts with other human. They have many positive characters that create bonds of humanity between people and thus have value for all human beings. They are strong positive feelings for the human essence of the other. These human values have the effect of bonding, comforting, reassuring and procuring serenity. Human values are the basis for any practical life within society.

Sri Chinna Jeeyar Swamy

Event No.7

Title of the event: An awareness program on Women's rights and self Defence

Date and Venue: 08-03-2021 & Seminar hall A bock

No. of participants: 180

About the programme

This programme aims to make female staff and students aware of women's rights and self defence. The primary importance of self-defence is for women to be able to protect themselves against anything that's unacceptable in terms of social conduct. The Constitution states that every person is equal before the law and it needs to be reflected in practice. Women and girls should be aware of their rights and be encouraged to pursue education, thereby becoming independent through employment. Even though India has all the necessary laws to punish and prevent crimes against women like the Criminal Law (Amendment), Act 2013, which was enacted for effective deterrence against sexual offenses, the number of crimes against women is increasing by the minute.

Event No.8

Title of the event: Women students mentoring programme

Date and Venue: 12-03-2021 & D block seminar hall

No. of participants: 85

About the programme

The main theme of the programme is to give suggestions to the women students to build a successful career and to get awareness about present societal issues. In-charge and members of Women Development Committee, Mrs. N. Preethi and Mrs. S. Sangeetha advised girls on how to handle tough issues in life. They interact with the women students to know their problems and to give suggestions to them. 85 women students participated in the event.

Specific facilities provided for women in terms of:

S.No.	Name of the facility	Supporting documents Page No.
1.	Safety and security	1-5
2.	Counselling	5-7
3.	Common rooms	8-12
4.	Day care Centre	12-14
5.	Any other relevant information	15

a) Safety and security

- Awareness programs on women safety and gender sensitivity through rallies and camps by NSS and student volunteers.
- Entire Institution is provided with extensive surveillance network with 24x7 monitored control rooms.
- Highly-trained women security guards placed across the campus.
- Security checkpoints at all campus entries and exits. Separate entry for vehicles parking.
- Institute is very strict on implementation of Anti-Ragging, Well Disciplined behavior in the Campus.
- Separate hostels for men and women with dedicated wardens in the campus.
- All faculty members are on rotational duty for anti ragging environment, discipline and security.
- The Institute is the better choice of parents for education of their female wards as evidenced by increased female student admission yearly.

b) Counselling

- Grievance Redressal Committees are formed for students and staff.
- Class teachers are available for counselling of both males and female students.
- Each faculty is assigned with 5 to 23 students to counsel them regarding the academic and personal issues. Personal counselling is given to students at different levels.
- Career Guidance Cell, Entrepreneurship Development Cell and Placement Team are continuously in touch with students and guide them appropriately.

- Students are encouraged to respond to the gender sensitivity issues in the society and give awareness through rallies in Institution and local places.

c) Common rooms

- In the institution, common rooms have been arranged for men and women , which facilitate meetings and discussions.
- There are separate washroom facilities for girls and boys. Sanitary napkin vending machine is available to the girl students in the campus. Girls Washrooms are provided with sanitary napkin incinerator machine for the safe and hygienic disposal of sanitary napkins.
- E clinic is available in the campus.

d) Day care centre

The college has a day care centre in the campus to assist the women faculty members and students who have babies. It is available to take care of infants and young children during the college time. The day care centre is located in Girls hostel building. There are lady caretakers and it's working from 9 am to 4 pm on all working days. The amenities available are beds, bed spreads, cradle, Toys etc. There is attention to each child. Careful measures are considered towards health and safety issues. There are proper hand-washing routines, and the facility is clean. Safety precautions and measures are taken. Children are motivated to play games, rhymes and conversation in order to improve brain development. Mothers can make unscheduled visits and are allowed to give suggestions.

Any other relevant information

- Additional initiatives ensure active participation of students in co-curricular activities and extra- curricular activities with Student Activity Centre in the institution.
